Dear Lisa,

Thank you for your thoughtful gift of \$1,162.52. **Your generosity brings fresh, healthy food to the tables of our neighbors in need every day.** Your donation will help thousands of people in Eastern Washington and North Idaho get the fresh, healthy food they need from our network of food pantries, meal centers and our own Mobile Market.

Rhonda's husband has been out of work due to an injury. "I work. It definitely helps," she said. But the income from her full-time job in education wasn't enough as the months stretched by and her husband couldn't return to work. She supplements her income with food from Second Harvest's Mobile Market. "The mobile food bank has been a blessing," she said. "The food is great."

Your gifts mean hungry kids, families and seniors in your neighborhood will get enough to eat tonight. **Every volunteer hour, every dollar and every piece of food that's donated is the difference between an empty plate and a full one.**

Each dollar you give means five meals for hungry people like Rhonda. Thank you for being on the front lines of getting food to where it's needed most.

Warm regards,

Jason L. Clark
President and CEO
