Dear Ms. Mason;

When we say thank you, we hope you can hear the chorus of voices behind us. They are the voices of passengers that we can help *because of you*. Our services are made possible because of donations from you; our generous supporters, volunteer pilots and partners. There is no doubt that we could not provide free air transportation to our passengers *without your help*.

Your donation of **\$4,259, Check # 1854 dated 12/10/2018** will help fly passengers to medical treatments, children or veterans to specialty camps or provide flights to safety for domestic violence relocation. For over 30 years, flights of hope and health have been provided, making an impact by completing over 75,000 missions across 13 western states. Your donations provide hope to our passengers, their families, and healthcare workers. We may not be able to change the world, but *with your support* we continue to change lives one flight at a time

On behalf of all of AFW, and the passengers we serve, I say thank you and Happy New Year!

Josh Olson
Executive Director
