To Our Friends at Independent Brokers, Inc:

We can't thank you enough! Your commitment to the health and wellbeing of young people is extraordinary. Because of you, youth in recovery will have an even greater opportunity to heal from addiction and begin building bright futures for themselves. The Independent Brokers, Inc. donation of \$4,259 supports the long-term health and sustainability of our region by helping kids address not only their immediate need for chemical dependency treatment, but by setting youth on a path toward clean and sober living.

We are delighted to have your support in this endeavor and look forward to providing you status updates on how these amazing kids are doing.

Thank you for your generosity.

Yours truly,

Sarah Spier

Development Manager
