Dear Tammy,

We thank Independent Brokers, Inc. for contributing **\$4,125.52, Check # 1908 dated 12/23/2019** to our year-end giving campaign, matched by our Board of Directors. Thank you for doubling your impact! We also thank Melinda Denton not only for her services to AFW but for being a great ambassador for our mission and for those we serve.

Your willingness to help a family in crisis makes a tremendous difference in their lives. Thank you for giving hope wings to fly passengers to medical treatments, children or veterans to specialty camps or provide flights to safety for domestic violence relocation.

For over 35 years, we've flown over 80,000 missions of hope and health across 12 western states. We could not provide our services without your help. And while we may not be able to change the world, we continue to change lives one flight at a time.

Thank you again for your generosity.

Josh Olson  
Executive Director

*Thank you Tammy & Melinda!*
