

DAYBREAK youth services

December 30th, 2019

Dear Independent Brokers:

We are so moved by your kindness and your commitment to the health and well-being of young people. Thank-you for the \$4125.52 donation. We are truly blessed by the support of our community.

At Daybreak we offer a safe, supportive environment where kids can fully engage in treatment. Within this environment, they learn healthy life skills and begin to build new futures for themselves — futures free from addiction and mental health challenges. Your gift is more than a donation, it is an investment in the future of our youth.

Thank you for having a hand in the healing of a young person's heart and mind, and for having the faith and love to give the gift of hope.

Love and care,

Sarah Spier  
Director of External Relations
